

ROAD NOTICE UPDATES FOR THE WEEK OF SEPTEMBER 2

STATE ROAD 37

This summer, Mayor Fadness announced the launch of a new marketing campaign to support the State Road 37 Improvement Project. 37 Thrives with its tagline, Support the Drive, will keep the community informed, updated, and connected to local businesses along the corridor. Watch the announcement on facebook.com/37thrives. Learn more about the campaign [here](#).

KEEP FISHERS DPW SAFE

Road construction continues around Fishers, so please slow down and drive carefully around road workers. Watch [here](#) to see our DPW crew talk about worker safety.

ALLISONVILLE ROAD

There will be lane restrictions in the northbound curb lane of Allisonville Road beginning Tuesday, September 3. Lane restrictions will be in effect on the bridge crossing of Smock Creek, on the south end of the current road widening project. Restrictions are anticipated to last 3 days.

Please be advised that the asphalt paths along Allisonville Road are still located within an active construction zone. Please be careful when using these paths.

126th STREET

126th Street will be closed to traffic at Allisonville Road on Wednesday, September 4 from 9 a.m. to 3 p.m. to allow the contractor to pave the new roadway. The detour will be 131st Street to Lantern Road.

All lanes of 126th Street at Parkside Drive are open to traffic along with the new access to Reynolds Drive. This area is still a construction zone with 30 mph speed limit. Please drive with caution as the final items are being addressed throughout the project.

131st STREET

131st Street will be closed to traffic at Allisonville Road on Thursday, September 5 from 9 a.m. to 3 p.m. to allow the contractor to pave the new roadway. The detour will be 126th Street to Lantern Road.

113th STREET

Hamilton County Highway Department has started resurfacing work on 113th Street from Florida Road to Southeastern Parkway. Lane restrictions are in place while this work is being completed.

136th STREET & CYNTHEANNE ROAD

The new roundabout is open to traffic. This area is still a construction zone with a 30 mph speed limit. Please drive with caution as the final items are being addressed throughout the project.

106th & MOLLENKOPF ROAD

Watch for delays and lane restrictions near 106th and Mollenkopf Road for work related to intersection improvements.

96th STREET

Utility relocation is beginning on 96th Street as part of the road widening project, resulting in periodic lane restrictions over the coming months. For more information about the 96th Street road widening project, view the [Fact Sheet](#).

While this list encompasses numerous project updates, it does not list all DPW projects throughout the city. The most recent projects are detailed, however please keep in mind that all construction activities are weather permitting. We appreciate motorists' patience and caution while driving through construction sites.
